STORY OF THE WINE

Aura is another of our most precious red wines that we make in the renowned Denomination of Origin Montsant, in the Priorat region.

Only 885 bottles and 10 magnums were produced in this 2019 vintage.

The wine comes from the vineyards of different farms in the towns of Capçanes, El Masroig and Els Guiamets, with vines that range between 20 and 30 years old and from the Garnatxa Negra grape variety.

Aura is a full-bodied red wine that perfectly represents the Mediterranean soul of this variety.

Powerful, complex, ripe and with a long finish, Aura will fill your palate and transport your senses to true enjoyment.
