### **STORY OF THE WINE**

Lila, is our rosé wine made in the Denomination of Origin Empordà, the idyllic land of colors, sea and gastronomy, with the intention of transporting you from the most beautiful lavender landscapes of Provence, in France, to on the north-east coast of Catalonia. Production of 860 bottles in this 2020 vintage.

Made with the "Garnacha Tinta" grape variety and the "Macabeu" grape variety that adds structure and acidity to the wine, Lila will make you feel as if you were on the seductive "Costa Brava" of the beautiful Empordà.

Lila is a landscape of colors, aromas, textures and flavors. It is a rosé wine with a light salmon color, intense aromas of stone fruits and white flowers, and a fresh and unctuous journey on the palate.

Accompanying you to drink alone or to enjoy with some appetizers and tapas before jumping into the main feast of a dining experience, drink Lila perfectly chilled!
