STORY OF THE WINE

Pur is our flagship wine, with a production of 792 bottles in this 2018 vintage and produced in the small and beautiful village of Porrera, in the Priorat Qualified Denomination of Origin; one of the only two qualified regions in Spain.

The wine is made from two unique vineyards called "La Balma" with vines between 20 and 30 years old, and "La Parada" with vines between 80 and 100 years old, both planted with black grape varieties, Carinyena and Garnatxa, the two queens of the Priorat.

Pur is a red wine aged without filtering or clarifying that preserves the purity of the artisanal and traditional production with minimal intervention. It is a wine of landscape, mind, soul and body, elegant and very fine. A small treasure that represents authenticity and rusticity in the most subtle version.

A structured, medium-bodied red wine, featuring red and black fruits, spices, soft tannins and a long and persistent aftertaste; this is where you'll discover the secrets of this dark ruby-colored rustic gem.
