Flavors/Palate: On the palate, it has a fresh, creamy, and persistent entry, perfectly balanced and full of flavor, where primary fruit tastes give way to a delightful and prolonged finish.

STORY OF THE WINE

Lila is our rosé wine, produced in the Denomination of Origin Empordà, the idyllic land of vineyards, sea, and gastronomy.

With a limited production of fewer than 1,000 bottles per vintage, Lila transports you from the enchanting lavender fields of Provence, France, to the northeastern coast of Catalonia.

Made with the grape varieties "Red Grenache" and "Macabeu", our rosé evokes memories of the seductive Costa Brava of Empordà.

Lila is a landscape of colors, aromas, textures, and flavors. It has a pale salmon color, with aromas of red and white fruits, floral and citrus notes, and a fresh and light mouthfeel.

Enjoy it on its own or with exquisite culinary pairings, but don't forget to serve Lila well chilled!
